NICHOLS ANNUAL EASTER EGG HUNT

TRUMBULL, Conn., March 28, 2005: Nichols residents participated in the annual Easter Egg and Scavenger Hunt held Saturday. Everyone had a great time as they enjoyed a visit from the Easter Bunny, prizes and plenty of sunshine.

The Easter Bunny was on hand to greet the hundreds children and adults that participated in the annual event. Children ages preschool to 2nd grade participated in the Egg Hunt, while those in 3rd grade and above searched for well hidden eggs in the Scavenger Hunt. Children who found special “golden eggs” received special prizes. Sponsored by the Nichols Improvement Association (NIA), the event was held on the NIA grounds. Susan Neil, an NIA volunteer, once again did an outstanding job organizing the favorite springtime event.

The Easter Egg and Scavenger Hunt is one of many events sponsored by the NIA. The Nichols Improvement Association is a non-profit organization of volunteers coming together for the betterment of the Nichols community. For more information, or to join the NIA, phone 203-375-3611.
